

CONTINUING MEDICAL EDUCATION

PRIMARY CARE ADMINISTRATION OF MAT:

Assessment, Management, and Referral to Address the Opioid Epidemic

DECEMBER 1, 2018 & JANUARY 19, 2019

NORTHEAST OHIO MEDICAL UNIVERSITY

► SEATS ARE LIMITED, ONLY 25 PER SESSION

- **MAT Training** – up to 12 hours (8 hours on-site training, 4 hours follow-up training)
- **Compensation** for time in training for educators and practitioners*
- A **\$23 fee** for conference day meals will be charged at the time of registration
- **Option** to apply for buprenorphine waiver
- Open to **primary care** medical educators, and practicing primary care physicians, physician assistants, nurse practitioners and resident physicians. Primary care providers are frequently the first line care for many patients with opioid use disorders.

The IOM has recommended health professions education and training programs should provide educational opportunities in pain assessment in primary care.

To address this critical training need, NEOMED is offering Medication Assisted Treatment (MAT) training designed specifically for primary care providers.

Northeast Ohio Medical University designates this live activity for a maximum of 12.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Funding for this initiative was made possible (in part) by Providers' Clinical Support System for Medication Assisted Treatment (1U79T1026556) from SAMHSA. The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services; nor does mention of trade names, commercial practices or organizations imply endorsement by the U.S. Government.

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) and the Accreditation Council for Pharmacy Education (ACPE); through the sponsorship of the Northeast Ohio Medical University and Department of Family and Community Medicine. Northeast Ohio Medical University is accredited by the ACCME and the ACPE to provide continuing education for physicians and pharmacists.
